

## Sandwich Youth Tackle Football

The Sandwich Youth Tackle Football organization is actively seeking sponsors for our 2011 football season that will kick off in August. Established in 1996 SYTF has been partnered with the Sandwich High School football program since 2006. We offer the opportunity for children ages 7 to 14 (1st -8th grade for cheerleading) to learn and participate in tackle football and cheerleading. While always striving for victory, we remain an instructional league with the following goals: being a feeder program for our High School Football Program, fundamentals, sportsmanship, fair playing time, teamwork, and teaching a love for the game. These are all part of our main focus as we strive to learn the game of football and sport of cheerleading

Each year SYTF has to purchase and maintain equipment to ensure our children have a safe experience. We are also responsible for helping maintain the high school football field as well as a number of other small costs to keep our program running. Please help us continue to grow this organization, and provide a safe and exciting place for our children to learn the game of football and sport of cheerleading.
