

Here is a little more info regarding the Glazier football clinics.

The Glazier football clinics are as follows:

Feb. 3 - Friday all day - sessions start at 8:30am and end at 8:35pm

Feb. 4 - Saturday into the afternoon - sessions start at 8:30am and end at 2:45pm

March 2 - Friday all day - sessions start at 8:30am and end at 8:35pm

March 3 - Saturday all day - sessions start at 8:30am and end at 8:35pm

March 4 - Sunday morning - 2 sessions starting at 8:30am and ending at 10:15am

For those who have not attended these clinics I can tell you from my own experiences that they are very informative. There is a wealth of information available from successful coaches at the high school, college and NFL level. For example, Rod Marinelli from the Chicago Bears will be at the March 2 morning sessions. You get to rub elbows with your peers and draw from some of the great minds in football. Please go to the Glazier website for all the details and a list of all the topics for each day. You can also register online in advance while on the website or at the door if you like. There is NO fee for Youth Tackle Football Coaches, it's FREE.

Have A Great Weekend,

Greg
